A place for possibilities.*

ABOUT US

For more than 60 years, Hope Haven has been a force in our community empowering people with developmental disabilities. We are the second oldest community program of its type in Georgia and we are a proud partner in the lives of many families. Through our programs and dedicated staff members, Hope Haven has made our community a better place to live.

WHAT IS A DEVELOPMENTAL DISABILITY?

A person with a developmental disability is a lifelong learner. Because...

A developmental disability is a group of conditions that are usually detected early (before the age of 22). It typically lasts throughout the person's lifetime and may change day-to-day life in areas such as language, mobility, learning, self-help and/or independent living.

EMPLOYMENT

Supported Employment

Would you like to earn a paycheck? We can help you find a job and support you to be a great employee! With our Supported Employment services, we help you discover the type of work you would like, learn the skills needed, and then hit the street to find the right place to work! If you'd rather work for yourself, we can help with that too. We can support you while you operate your own business by assisting in developing a business plan, identifying customers and offer ongoing assistance and guidance once your business has been launched.

For the Employer

When you hire through our Supported Employment Program, you have hired an employee who has a whole team invested in their success! We know employers expect a positive attitude, a strong work ethic and reliability, so do we. Hope Haven works closely with the employer and employee to ensure optimal performance. Our program is ideal for any business because we work hard to match the strengths and interest of the people we support to available job opportunities. We believe in creating strong work relationships between the people we support and their employers.

- LONG TERM EMPLOYEES**
- NO-COST PLACEMENT SERVICES**
- ON-THE-JOB TRAINING**
- ONGOING SUPPORT SERVICES FOR BOTH EMPLOYER & EMPLOYEE**
- TRUE DIVERSITY & INCLUSION IN YOUR WORKPLACE**

COMMUNITY

Practice makes perfect. In our Community Access program, we set out to provide positive life experiences, which builds confidence. As a result, our hope is you begin to experience more independence, productive and have a better social life, without us.

We do this in two different ways:

Group

Small groups getting to know each other and doing things together. depending on the activity, you will join a group of 3-10 people who have similar goals and have fun! Our Direct Support Professionals will be there each step of the way to make sure you have everything you need and support your successes.

Individual

It's all about having fun and making personal connections! This one on one service is all about you discovering and doing the things you like; with the people you like. Your Direct Support Professional will use informed decision making to explore potential new hobbies and interests. Our hope is, along the way you'll make new friends and do all this fun stuff without us.

HOW DO I CONNECT?

Any person with a developmental disability and their support system is invited to be a part of Hope Haven family! We are excited to be a part of your life and we are thankful for your interest with us!

You may have heard about us from your friends, family, or someplace else in the community like school, church, or work. There is no wrong door! In addition to the community, you may have heard about us from The Department of Behavioral Health & Developmental Disabilities (DBHDD) through your Support Coordinator.

DBHDD maintains a list of people who have undergone preliminary screening for eligibility and qualify for a NOW/COMP Medical Waiver and live in our service area. If you have a NOW/COMP Medicaid Waiver and are interested in Hope Haven, contact your Support Coordinator to get the process started. Not sure who that person is or are you unsure if you have a Medicaid Waiver? Not a problem! We can assist you.

HOME

Community Residential Alternative

Home is a place where you should feel safe, comfortable and welcomed. Our Community Residential Alternative (CRA) services are for people who need an intense level of support to achieve those feelings at home and throughout their life. At Hope Haven you receive CRA services when you live in one of the five homes managed and operated by us. Our CRA services are individually planned and implemented and we offer a wide range of support that will fluctuate with you as you grow and change. We will help you put your best foot forward by helping in one or more of the following areas:

- Personal hygiene and healthcare
- Behavioral support
- Medical support
- Total household care

Community Living Support

Community Living Support (CLS) services are tailored to support a happy and healthy life for people who live in their own or family home. In this flexible program we'll help you find fun and unique things to do on top of providing training and assistance with personal care activities. Some tasks your Direct Support Professional may help with are:

- Personal hygiene
- Light housework
- Meal preparation
- Transportation
- Medical management
- Money management
- Finding new hobbies and interests
- Meeting friends

SERVICES

NOW/COMP MEDICAL WAIVER

If you have a NOW/COMP Medicaid Waiver all services provided through that waiver are covered by reimbursement from Medicaid with no charge to the person receiving the services.

PRIVATE PAY

All fees for services are set to the amount equal to the current reimbursement rate for NOW/COMP Medicaid Waiver.
